Through

The Principal
Indian Medical School,
M A D R A S.

Dated 2nd May 1935.

Humble representation of N.Narayana Bhat, L.I.M., Karnataka Chemical Works Limited, Udipi, South Kanara District.

Sir,

I beg to bring to your kind notice the following facts for your kind consideration and favourable orders.

I understand that the District Board of South Kanara has decided to close the rural dispensary at Kiri Manjeshwar for want of a duly qualified hand, I also understand that they have decided to open a dispensary in Albady after the closure of the one at Kiri Manjeshwar and to appoint a fully -- qualified person to the new dispensary.

2. I am a duly qualified L.I.M. and my name has also been registered under G.O.No. 231 P.H. dated 1-2-1933 under class A I was sent up for the medical training as a stipendary student from the Ex-Taluk Board of Kasargode. I was being paid a monthly stipend of Rs.20/- for four years by the Taluk Board during the period of training. By the time I completed my course the said Taluk Board has been abolished and I was therefore obliged to seek employment under the District Board of South Kanara. But on account of retrenchment the said District Board could not provide me with a place till now. All my representations were made to the District Board through the Principal of the Indian Medical School who was good enough to recognise my claim and to recommend me to the said Board.

3. The Board as explained in paragraph 1 has decided to put a duly qualified hand in charge of the proposed dispensary at Albady. Meanwhile I am told that one Mr, P.Subba Rao who was in charge of the Kiri Manjeshwar Dispensary and who is

not a fully qualffied man has applied for exemption and the Board has kept the question of my appointment pending till the application of Mr. P.Subba Rao for exemption is decided by Government.

4. I now hardly represent that it will be very discouraging for a duly qualified candidate if exemption is to be granted to persons without possessing the required qualification.

5. I, therefore, humbly represent that my claim may also be kindly considered while deciding the application of Mr, P. Subba Rao for exemption and your may also be pleased to recommend me for appointment in the proposed new dispensary at Albady.

U D I P I,
2nd May 35

I beg to remain,
Sir,
Your most obedient servant,
Narayana Bhat.

In submitting herewith the petition received from Mr. N.Narayana Bhat L.I.M. stipendiary of the Kasarkode Taluk Board now merged into South Kanara District Board, I have the honour to submit as follows:-

(1) As per instructions issued in G.O.No.210 Ms.P.H. dated 30th January 1935, the President, District Board, South Kanara transferred the rural dispensary at Kirimanjeshwar to Albady and appointed Mr.P.Subba Rao who was in charge of the Kirimanjeshwar dispensary as Medical Officer. The transfer of the dispensary has also been approved in G.O.No.2602 Ms.

(2)

P.H. dated 5th October 1935. But it has been a matter of doubt whether this dispensary is a ~~xxxxxx~~ rural one or a regular Local Fund one.

The following facts are in favour of the institution being considered a Local Fund dispensary:-

i. ~~From the fact that~~ No agreement has been taken from the medical officer at both the places as is required in the case of medical officers of rural dispensaries.

~~ii. Medical Officer is stated to have been~~ confirmed before 1st February 1933; the question of confirmation does not arise in the case of medical officers of rural dispensaries.

210
30/12/35

iii. The pay of the medical officer has been fixed at Rs.40 a month from 1-11-34 with reference to orders in G.O.No.2852 P.H. dated 11-12-34.

iv. Application was made for his exemption on the assumption that the institution was not a rural dispensary and the exemption has been duly granted.

On the other hand, in certain letters received from the President, District Board, the institution has been referred to as a rural dispensary receiving contributions from the District Board. On the whole, however, the points in favour of the institution being treated as a regular Local Fund dispensary seem to be stronger. If Government agree with this view the appointment of Mr. Subba Rao would be in order. If however it is held that it has to be treated as a rural dispensary, the appointment would not be in order with reference to orders in G.O.No. 133 Ms.P.H. dated 19th January 1935, ~~he~~ Subbarao being a non-L.I.M. In that case I strongly recommend the appointment of the

petitioner as medical Officer.

With reference to Government Memorandum No.53367-1-D2 P.H. dated 15-1-1936, I have the honour to state as follows:-

The dispensary maintained at Albady is a Rural Ayurvedic Dispensary. It is maintained by the District Board on the conditions applicable to all Rural subsidized dispensaries. The Practitioner is paid Rs 40/- per mensem as per Government Order No. 2852 P.H. dated 11-12-1934 and medicines worth Rs 360/- per annum ~~is~~ are supplied to him. On receipt of Government Order No. 101 P.H. dated 15-1-1935,

(2)

(3)

a notice was served on Mr. P.Subba Rau, the Medical Practitioner on 14-2-1935, intimating to him that his services will be termi--nated on 1-4-1935 and that he should close the dispensary and hand over charge to the L.F.Section Officer, Coondapoor. But he was permitted to continue to hold his post as per Orders No. 3183-2-C-B-35 dated 26-3-1935, of the President Central Board of Indian Medicine.

2. It is nowhere stated that the Practitioner was confirmed before 1-2-1933, as no such confirmation orders are necessary in his case. He is not contributing to the L.F. Provident Fund nor has a service register been opened for him. It was stated in this Office letter Ref.C.No.8383-A4-35 dated 23-7-1935 that he was in service under the now defunct Coondapur Taluk Board before 1-2-1933.

3. Copies of this office letters Ref.C.No.8383-A4-35 dated 23-7-35, 17-9-1935 and 14-11-1935 and letter No. 3183.2.C.B. 35 dated 26-3-1935 of the President, Central Board of Indian --- Medicine, are herein enclosed, for favour of perusal. I request that the Government may be pleased to inform me whether the --- general exemption granted in Government Order No. 1025 P.H. dated 2-5-1935, is applicable in his case or not. In case it is not applicable, I have no objection to terminate his services and to appoint Mr.N.Narayana Bhat, the petitioner recommended by the Principal, School of Indian Medicine.

Endorsement No.6204-7/S-35 dated March 13,1936.

Submitted to the Joint Secretary to the Government of Madras, Local Self Government (Public Health) Department, Madras.

2. Since the President, District Board, South Kanara states that the dispensary at Albady is a rural Ayurvedic dispensary maintained by the District Board on the conditions applicable to all rural subsidized dispensaries the appointment of Mr.P.Subba Rao would not be in order with reference to orders contained in G.O.No.133 Ms.P.H. dated 19th January 1935, he being a non-L.I.M. Hence Mr. N.Narayana Bhat L.I.M.(Regd) may be appointed for the Albady dispensary ousting Mr.P. Subba Rao.

3. As regards the applicability of the general exemption granted in G.O.No.1025 P.H. dated 2-5-1935 to Mr.P.Subba Rao, it is submitted that the exemption was intended only to protect those who were in the permanent employ of local Bodies or Government on 1-2-1933. As Mr. P. Subba Rao was not in permanent Local Fund service before 1-2-1933 (vide para 2 of President's letter) the general exemption granted does not apply to him.

Medical Institutions-Rural-Transfer of the Kiri-Manjeshwar Rural Dispensary to Albady-Your proposals-further information requested.

Ref:- Your letter No.6204-1S/35 dated 2-7-1935.

Referring to your above letter I have to state as follows:-

In Government Order No.210 M.S. P.H., dated 30-1-1935, the Government commended your suggestions for the dis--continuance of the District Board's contribution for the Rural Dispensary at Kirimanjeshwar and for the utilization of the amount by opening a dispensary at a suitable place where Medical relief is badly needed. The District Board accordingly resolved in Resolution No.66/2-3-1935 to open a dispensary either ~~to~~ at Albady or Hosangady after consulting the District Medical Officer in regard to the suitability of the place and the need for Medical relief at each of these centres. On communicating a copy of the Board's resolution, the District Medical Officer had no objection to shift the dispensary to Albady on the ground that there are no dispen--saries between Koteshwar and Someshwar. It will thus be seen that after consulting the District Medical Officer as required in Circular P.No.2131 H. dated 3-12-1934 of the Surgeon General, the Medical Practitioner at Kirimanjeshwar was ordered to move to Albady and the approval of the Govern--ment to the shifting of the dispensary solicited in my letter Ref.C.No.1339-A4/35 dated 10-4-1935 to Government, is awaited. My proceedings cannot therefore be considered against the instructions of Government.

2. The dispensary opened at Albady is a Rural Ayur--vedic Institution and is maintained by the Board on the

P...0

same conditions as other Rural dispensaries. No subsidy is paid from Provincial funds.

3. As regards the continuance of the services of Mr. P.Subba Rao, I invite your attention to your letter No.3183-2 C-B 3-35 dated 26-3-1935.

4. I would also invite your attention to Government Order No.1025 P.H., dated 2-5-1935 and request to be informed whether the general exemption granted therein is applicable or not, in the case of Mr. P.Subba Rao. He was in service under the Coondapoor Taluk Board as Medical Practitioner from 17-3-1931. He was permitted to hold the post at Kirimanjeshwar as per your letter dated 26-3-1935 referred to above and he was appointed at Albady a more needy place in pursuance of orders issued in Government Order No.210 M.S. P.H., dated 30-1-1935 referred to in para 1 above. According to Government Order No. 1025 P.H., dated 2nd May 1935 Mr. Subba Rao can be exempted from registration since he was in service before 1st February 1933. In view of this Government Order please let me know whether Mr. Subba Rao can be removed from service at Albady and replaced by Mr. N.Narayana Bhat
